

Map of the Rasen Community Orchard - Blossom Field

Key:

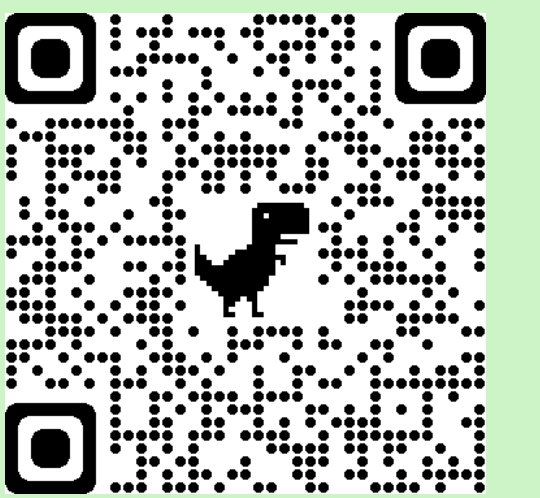

- Apple
- Pear
- Gage
- Plum
- Medlar
- Hazel
- Tree Variety
- Planted by
- In Honour of

The Orchard was planted in 2025, to commemorate the coronation of King Charles III. Funding was successfully awarded to the Rasen Area Environment Group by the Coronation Community Grant Scheme. It was planted by the local community including, Market Rasen Pre-school, Town & Country Pre-school, Market Rasen Primary School, the Old Station Adult Education Group, the 2nd Market Rasen Scouts Troop, the Rasen Area Environment Group and local residents.

The diagram to the left displays the layout of the tree planting. The majority of trees are local varieties, supplied by the East of England Apple and Orchard group. The area around the trees has been sown with native wild flower seeds kindly donated by the Lincolnshire Wildlife Trust and Plant Life International.

The listings below detail the tree type, who it was **Planted** by and who it is planted in **Honour** of.
